Features:

- Made with Thermoplastic Elastomers(TPE) in two sizes
- Equipped with two exhalation valves to ensure very low exhalation resistance
- The valves cover with partitions effectively protect the exhalation membrane against dust and paint mist
- The materials and pigment of mask body are approved by FDA for foods which minimizes the risk of contact allergies
- The easily adjustable elastic head harness straps of the mask are designed as a V-shaped loop and have a large dished crown plate which contributes towards a comfortable and safe fit
- Tested in accordance with EN 140:1998
- Nominal protection factor 50
