

# PRODUCT SPECIFICATION

## SAFETYWARE 3-Layer Washable Fabric Face Mask

- Made with liquid repellent Polyester outer fabric (Hydrophobic) which provides effective protection against liquid droplets and splashes.
- The filter is made of Madaline® Microfilament fabric which provides enhanced protection against particles & bacteria. The filter is removable which can be rewashed & reused.
- Combination with soft Poly Cotton inner fabric (Hydrophilic) provide basic protection against nuisance dusts & absorb fluids.
- Helps to provide a better hygiene as it prevents contamination from droplets of the user.
- The fabric mask can be washed for 50 times and the filter can be washed for 10 times.
