

PRODUCT SPECIFICATION

SAFETYWARE Flame Retardant Hood

- Designed to offer excellent protection against flames and high temperatures, ensuring the safety of the wearer in hazardous environments.
- Features a snug and ergonomic design that fits comfortably over the head and neck, allowing for easy movement and prolonged wear.
- Enhanced Safety: The hood covers critical areas including the head, neck, and face, reducing the risk of burns and heat-related injuries.
- Breathable and Lightweight: Constructed from breathable materials that keep the wearer cool and comfortable, even during extended use.

APPLICATIONS

- Firefighting
- Welding
- Oil and gas industries
- Chemical plants

Item Code: FFA-H-BLK
