

# PRODUCT SPECIFICATION

## SAFETYWARE UltraCut Cut Resistant Apron

- The SAFETYWARE UltraCut Cut Resistant Apron is engineered to provide superior protection against cuts and abrasions.
- Crafted from high-performance HPPE (High Performance Polyethylene) blended materials, this apron offers exceptional durability while maintaining flexibility and comfort for the user.
- It is designed to withstand demanding work environments, making it an ideal choice for industries where sharp tools and objects are regularly handled.
- Adjustable Strap Buckles: Allows the wearer to achieve a customized, secure fit, enhancing comfort and safety during use.
- Front Pocket: A practical addition for holding tools, gloves, or other essential items, keeping them within easy reach.

### APPLICATIONS

- Metal Working
- Glass Handling
- Automotive Industry
- Food Processing
- Textile Industry

### CARE INSTRUCTIONS

**Cleaning:** Can be machine washed with mild detergent. Avoid using bleach or harsh chemicals.

**Storage:** Store in a cool, dry place away from direct sunlight to maintain material integrity.
