PRODUCT SPECIFICATION

SAFETYWARE Labelled Aluminium 6 Holes Lockout Hasp

- A combination of safety lockout hasp and lockout tag.
- Hasps allow mutiple padlocks to secure a single lockout device.
- Accommodate 6 padlocks at most.
- Keeps the equipment inoperative when there is any adjustment or maintenance.
- Writable labels surface for repeated use.
- Suitable for plugs, ball valves and gate valves maintaining.
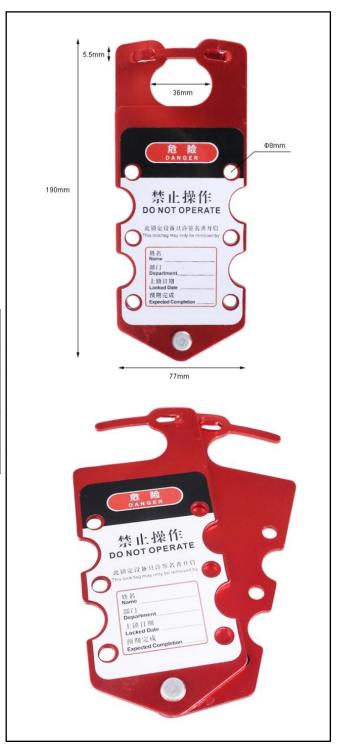

APPLICATIONS

- LOTO
- Industrial
- Maintenance

TECHNICAL DATA

MATERIAL	Highly Oxidized Aluminium Alloy
SIZE	77 (L) x 190 (H) mm
LOCK HOLE DIAMETER	8 mm
SHACKLE DIAMETER	36 mm
COLOR	Red

Item Code: LTH420-RED

Date created: 27/03/2023
Revision: 01
Date revised: 20/09/2023
