

# PRODUCT SPECIFICATION

## SAFETYWARE Chemical Sorbent Spill Kit, 120L

- 120 liters all-in-one kit designed for effective and rapid response to chemical spills.
- Housed in a compact and easily transportable plastic bin equipped with wheels for convenient storage and deployment.
- Designed for larger-scale chemical spill emergencies in industrial, commercial, or marine settings.
- Suitable for rapid response to moderate to large chemical spills or leaks in various environments.
- Essential addition to emergency response plans for facilities handling significant quantities of hazardous chemicals.
- Minimizes cleanup time and costs.

### APPLICATIONS

- Marine and Offshore Operations
- Educational Institutions
- Automotive and Aviation Industries
- Chemical Processing Plants
