Shoe Cap

OSBORN Pro-Tek Shoe Cap

- PRO-TEK-TO shoe caps can be slipped right over your street shoes.
- You can slip them off again just as quickly as possible once the hazard has passed.
- The easy way to comply with safety requirements for employees with occasional risk situations or plant visitors who seldom come with safety toe footwear.
- Model **OG-3625** is use when you need to protect the entire top of the foot, including the metatarsal area. Unisex design for men and women.
