

Safetyware Sdn. Bhd.

Technical File for SG-500C

Effective

01 APR 2007

1. Product Details

Code : SG-500C

Description : SAFETYWARE Safety Overglasses

2. Product Specifications

Lens Material : Polycarbonate (PC)

Lens Coating : Scratch Resistant

Lens Color Available : Clear (SG-500C)

Frame Material : Polycarbonate (PC)

Hinge Screw : Integral 2-barrel stainless steel

Weight : 50.1 gm

3. Product Properties

Impact Protection : Protection against high-speed particles – low energy impact.
