

# ERGONOMICS

## Ergonomics

### Basic Back Support Belt

- An economical approach to back safety.
- Features breathable Lycra Spandex and knit elastic construction.
- Specially designed to fit our body to maintain the comfort when sitting or bending.
- Length & tension can be adjusted for the most comfortable fit through the Velcro closure on the support belt.
- Ideal for light industrial work.

Art No.	Description	Size	Unit
BSBelt	Back Support Belt	S – XL	pc

### Heavy-Duty Back Support Belt

- Features a breathable 9" width construction with five non-conductive stays for excellent support.
- Adjustable two-stage hook-and-loop closure system ensures a secure fit.
- Removable elastic suspenders with hook-and-loop tabs provide additional support.
- Stays are protected by rubberized covers that keep the belt in place.
