

Anti-Slip Floor Tape

SAFETYWARE Anti-Slip Floor Tape

- Long lasting adhesive backed tape designed especially for applications in high traffic areas where slippery or dangerous surfaces may cause accidents
- High traction surface features a rugged aluminium oxide grit, bonded to the tape, that is impervious to water, grease, oil, detergents and solvents
- Easy to apply, just peel off backing and press in place
- Suggested applications include stairs, ladders, ramps, dock lifts and shipping areas
- Can be used indoors or outdoors to clearly identify various pathways or hazardous areas.
- Available in 2", 4" and 6" widths with 60ft in length per roll
- Color available : solid black, black / yellow stripes and glow in the dark (photo luminescent)
