Product information

The Aqua-Seal Pro is 100% waterproof and offers comprehensive protection for the hand against multiple hazards. TPR protective pods across the back of the hand provides protection against impact risks to the hand. A 100 gram Insulatex lining gives excellent thermal insulation properties.

Anti-Impact

Hand injury is one of the most common and frequent complaints in the workplace. This range of gloves provides vital protection against impact to the hand from multiple hazards.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacture methods are used in the production of Portwests' extensive range of Hand Protection products.
