Inner Pack: 10
Outer Carton: 100

Product information

Designed to give maximum protection and comfort to the wearer, the Bizweld™ sleeves will provide protection in hazardous conditions. The elasticated cuffs ensure a flexible but comfortable fit. Must be worn with a suitable coverall or jacket/trouser combination.

Bizweld™

The garments in the Bizweld Flame Resistant range have been specially designed to guarantee comfort, performance and safety whilst providing effective function at all times. This range has been rigorously tested to ensure total compliance with the latest international standards.

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
