

PRODUCT SPECIFICATION

SAFETYWARE Oily Waste Can

- OSHA compliant Oily Waste Can is specially used for collecting oil-soaked (e.g. combustible solvent, Linseed oil, other flammable liquids) rags and cloths to effectively prevent the fire risks.
- Features:
 - Handle design (easy to carry & emptying)
 - Foot-operated provides hands-free opening
 - Self-closing lid design to keep it closed when not in use (to eliminate effectively the risks of spontaneous combustion)
 - Round construction & ventilated raised bottom that permits airflow which help to to disperse heat, prevent moisture buildup and rust
 - Chemical-resistant
 - "Empty Every Night" warning label printed in English, Spanish and French to reduce miscommunication

APPLICATIONS

- Production lines
- Workshops
- Laboratories
- Canteen
- Kitchen
