Product information

Created with flame resistance properties, the Arc Grip Glove provides a high level of protection against Arc Flash burns, Cuts and Flames. The 13-gauge knitted liner, manufactured with a unique flame-resistant aramid yarn, increases dexterity and hand movement and a flame-resistant neoprene coated palm allows for excellent grip.

Specialist Gloves

The Portwest Pro range is a combination of highly specialised gloves which have been designed for very specific tasks. The use of these gloves with the right task will perform better than any other glove which has been designed for more general purposes.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacture methods are used in the production of Portwests' extensive range of Hand Protection products.
