Product information

Specially designed to reduce the effects of impact and vibration. Excellent levels of comfort and dexterity when using powertools, jack hammers, concrete breakers etc.

Specialist Gloves

The Portwest Pro range is a combination of highly specialised gloves which have been designed for very specific tasks. The use of these gloves with the right task will perform better than any other glove which has been designed for more general purposes.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacture methods are used in the production of Portwests' extensive range of Hand Protection products.
