

PRODUCT SPECIFICATION

OPTO-PHARM Eyewash Bottle Single Wall-Mounted

- If your eyes become contaminated with particles or chemicals, your first response can mean the difference between being able to see or permanent eye damage.
- OPTO-PHARM eyewash is a sterile buffered isotonic solution specifically formulated to enhance eye comfort by irrigating, flushing and cleaning without interfering with the natural functions.
- OPTO-PHARM eyewash is formulated to provide optimum first response eye and wound irrigation.
- The functional wall station ensures your eyewash is always nearby, accessible and easily seen.
- The exclusive eyewash diffuser cup fits comfortably on the eye and ensures an even flow of flushing solution.
- Simply twist the lid and start treatment.
- Approved for Class IIB Medical Devices.
