	GNF1813	GNU1513				
	GNF1815	GNU1813				
	GNF2215	GNU2218				

- Made with specially formulated high performance Nitrile compound that offers better tactile sensitivity and tensile strength
- Offer superior resistance against a wide range of chemicals which include solvents, common acids & caustics, alcohols, strong detergent, animal fats, oils and greases
- Silky cotton flock-lining for better comfort and improved perspiration (GNF Flocklined Series)
- Models with chlorinated unlined finish are also available for users who require better chemical resistance (GNU Unlined Series)
- Newly designed recessed diamond pattern which offer better grip in both wet & dry conditions than other traditional grip pattern
- Does not contain latex protein
- Food safe
