- Features a uniquely innovative secure stainless steel closure for hygienic, safe, and easy cleaning.
- Made of AISI Type 304L Stainless Steel with high performance of rust resistance and corrosion resistance.
- Uses a 4:1 ring assembly throughout the gloves which means each ring is connected to least four adjacent rings to minimize gaps where knife points can penetrate.
- Reversible for left or right hand.
- Offer ultimate protection with 200N tensile force.
- Stainless steel hook strap enable easy to wear, clean and will not harbor bacteria.
- Include a glove tightener that fits over the mesh glove on the back of the hand and provides a tighter fit for the working area of the palm and fingers without hindering comfort or dexterity.
