- Micropore nitrile coating provides excellent grip by displacing oil
- Featuring a customizable ID label

## APPLICATIONS

Oil & Gas  
Metal Fabrication  
Metal Stamping  
Industrial Pipe Fitting  
Construction

## TESTIMONIAL

**DAVID H.**  
(ELECTRICIAN)

We have used your gloves with very good results. I have used them around a test bed installation project which required a lot of nut and bolt manipulation. Dexterity of the glove was incredible and performance was top notch. Hazards were abundant, sharp edges, hot metal, drill bit shavings and a few others. The glove protected my hands in all conditions and I continue to use them as my daily hand protection around the plant for routine maintenance tasks. This product works great for us.
