## 4086 Chrome Series® Arctic

### PROTECTION ZONES:

### FEATURES:

HexArmor® Chrome Series® gloves are built for a wide array of applications. Each product in the series was crafted to fit the hand with a specific purpose. With over 14 styles and various features such as impact protection, an abrasion-resistant knuckle patch, or a PVC printed palm, you can be confident that the Chrome Series® will keep your hands protected in any hazardous condition. Our Chrome Core™ gloves were designed with comfort in mind, providing unsurpassed dexterity while maintaining industry leading cut resistance.
