SAFETYWARE - SAFETY CARNIVAL 2019

Bukit Minyak, Penang - Safetyware Sdn Bhd had successfully organised Safety Carnival which took place at Penang Headquarter of Safetyware Sdn Bhd from 3rd to 7th July 2019.

In previous years, it was limited to the warehouse sale only, but there were a lot of activities incorporated in this year event like food truck, product demonstration, mini games and lucky draw.

As the purpose of Safety Carnival is to raise the awareness among public towards safety. Safetyware had sold safety products in the most affordable price in order to let the customers to get the greatest deal.

Safetyware is honored to have great support from public. This event successfully attracted as many as 10,000 people to attend our Safety Carnival. Safetyware would like to take this opportunity to thank our customers for their supports on us during the event.

Stay tuned on our next event!
