Product information

Independently certified to five international safety standards, the Bizflame Ultra coverall is built for versatility. The special FR polyester in the fabric ensures maximum longevity in the toughest environments.

Bizflame Ultra

Bizflame Ultra has been developed to perform in the toughest conditions. Ideal for industries such as oil and gas where durability is a must, Bizflame Ultra is certified to a range of EN standards offering optimum protection in a range of hazardous situations. Styles in this range are metal free, minimising the risk of static electricity hazards and of damage to surfaces. Bizflame Ultra FR polyester has been made from recycled fibres thereby reducing the production carbon footprint and working towards a sustainable future.

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
