

#14012GH

GROUNDHOG™

ELECTRO-STATIC SPRAY PAINTING GLOVES

CE

For minimal
risks only

AVAILABLE SIZES

FEATURES

- Helps eliminate paint spray-back by grounding you to the spray gun
- Lint free, cleanroom compatible materials and a double folded hemmed cuff edge, ensure the lowest particulate counts
- A continuous, highly conductive silver strip that runs from the inside surface of the palm to the outside palm surface, effectively grounds a worker when they are holding a spray paint gun
- Laminated polyurethane fabric resists solvents and is cleanroom compatible

APPLICATIONS

Paintline
Automotive
Electronics
Cleanroom Assembly

TESTIMONIAL

STÉPHANE C.
(DIRECTOR, CULTURAL AND ATHLETIC
SERVICES – CITY OF ACTON VALE)

Thanks to the expertise of Superior Glove representatives, we were able to offer our workers gloves and sleeves that met our expectations.
