### Regulation (EU) 2016/425

Module B, EU type-examination

Issue 2

PPE Product

ULTITEC 2000B disposable coverall models DD510, DD520, DD530 and DD540, manufactured primarily from a white microporous film laminated to a non-woven fabric and with a white light-weight SMS nonwoven panel on the back upper body and rear of hood, with stitched internal seams. The available models and sizes are described in Annex 1.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to meet the applicable Essential Health and Safety Requirements in Annex II of Regulation (EU) 2016/425 Personal Protective Equipment

The following have been applied:

EN ISO 13982-1:2004 + A1:2010 (Type 5: Limited life, full-body protective clothing against airborne solid particulates);

EN 13034:2005 + A1:2009 (Type 6: Limited life, full-body protective clothing offering limited protection against liquid chemicals);

EN 1149-5:2008 (Protective clothing - Electrostatic properties for electrostatic dissipative protective clothing with a surface resistance of  $\leq 2.5 \times 10^9 \Omega$  on the internal surface of the fabric.

Additionally, with two exceptions the PPE satisfied the requirements of EN 1073-2:2002 (Non-ventilated protective clothing against particulate radioactive contamination) for a performance classification of TIL Class 1. The exceptions are that clause 4.2 requires a minimum puncture resistance

### Regulation (EU) 2016/425

Module B, EU type-examination

Issue 2

PPE Product

of class 2, but the fabric used has a puncture resistance classification of 1 and the fabric has not been tested for blocking resistance.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 19 (c) of the Regulation are implemented and maintained while the model is in production

Certification is based on technical file reference: ULTITEC DISPOSABLE PROTECTIVE WEAR STYLE 2000B Issue 2, Rev. No. 1.

SGS Reference Number UK/CRS 238837.

<sup>1</sup> The validity of this certificate may have to be reviewed in the light of new or amended harmonised standards

This certificate remains the property of SGS Fimko Oy to whom it must be returned on request.
