Regulation (EU) 2016/425

Module B, EU type-examination

Issue 1

PPE Product

ULTITEC 5000 disposable hooded coverall model DD750T, manufactured from a white material comprising multi-layer composite membranes laminated to a supporting substrate, with stitched then over-taped seams. The model has elasticated facial opening, wrists and ankles and a self-adhesive chin flap. The zipper is covered by a double storm flap sealed with double-sided adhesive tape. Available in seven nominal sizes. It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to meet the applicable Essential Health and Safety Requirements in Annex II of Regulation (EU) 2016/425 Personal Protective Equipment

The following have been applied:

EN 14605:2005 + A1:2009 (Type 3 & 4: Limited life, full-body protective clothing against liquid chemicals with liquid-tight & spray-tight connections);

EN ISO 13982-1:2004 + A1:2010 (Type 5: Limited life, full-body protective clothing against airborne solid particulates);

EN 14126:2003 (Type 3-B, 4-B & 5-B: Limited life, full-body protection against infective agents);

EN 1149-5:2008 (Protective clothing - Electrostatic properties for electrostatic dissipative protective clothing with a surface resistance of $\leq 2.5 \times 10^9 \Omega$ on the internal surface of the garment).

Additionally, with one exception, the PPE satisfied the requirements of EN 1073-2:2002 (Non-ventilated protective clothing against particulate radioactive contamination) with a performance classification of TIL Class 2. The exception is that clause 4.2 requires testing of blocking resistance, but the fabric used has not been tested.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 19 (c) of the Regulation are implemented and maintained while the model is in production

Certification is based on technical file reference: ULTITEC DISPOSABLE PROTECTIVE WEAR STYLE 5000 Issue No. 3, Rev no. 1. of 1/Aug/2019.

SGS Reference Number UK/CRS 239380.

1 The validity of this certificate may have to be reviewed in the light of new or amended harmonised standards
