Words From Founder

Dear Valued Customers,

As we look back on 2024, we at Safetyware would like to extend our heartfelt gratitude for your unwavering support and trust. Your partnership has been the cornerstone of our journey, enabling us to grow, innovate, and achieve new milestones in safety and quality.

This year, we focused on delivering tailored solutions to meet the diverse needs of industries we serve. From specialized safety products to value-added services like training, Safety 360 safety conference and promotions, every step we took was guided by our commitment to ensuring your safety and satisfaction. Your participation, feedback, and trust have been instrumental in shaping these efforts.

We are proud to have contributed to your success and are deeply appreciative of the mutual growth we've achieved together. As we step into 2025, Safetyware remains steadfast in its dedication to providing innovative, reliable, and high-quality safety solutions. Together, we look forward to reaching greater heights and creating safer workplaces for all.

Thank you for being an integral part of the Safetyware family.

Warm Regards,

Wong Kee Wei

Strengthening Readiness: Fire Drill and Emergency Preparedness April 2024

On April 30, 2024, **Safetyware Group** took a proactive step in reinforcing workplace safety with a comprehensive **Fire Drill**, part of our Emergency Response Plan, at the company's headquarters.

The drill showcased the outstanding readiness and responsibility of every team member. From swift evacuations to adherence to safety protocols, the commitment to safety demonstrated by the Safetyware community was commendable.

These exercises go beyond routine—they prepare us for unforeseen circumstances, equipping everyone with the knowledge and confidence to handle emergencies effectively.

We thank our team for their active participation and dedication to maintaining a safe work environment. Together, we continue to prioritize the well-being and safety of everyone at Safetyware.

Promoting Workplace Safety: Noise Awareness Training at Comfort Rubber Gloves Industries Sdn Bhd

May 2024

On May 14, 2024, **Safetyware Sdn. Bhd.** conducted a comprehensive **Noise Awareness Training** for the staff of **Comfort Rubber Gloves Industries Sdn. Bhd.** at their facility in Matang, Perak.

The training focused on key topics essential for workplace safety:

1. Identifying noise hazards in the work environment.
2. Implementing effective noise control measures.
3. Proper use and maintenance of hearing protection.

This initiative reflects Safetyware's commitment to fostering safer workplaces by equipping employees with the knowledge and tools to protect their hearing and mitigate noise-related risks. We thank Comfort Rubber Gloves Industries for the opportunity to share our expertise and contribute to their safety culture.

A Successful Collaboration: Safetyware & Sundstrom Respiratory Workshop

May 2024

Safetyware, in collaboration with Sundstrom, extends heartfelt thanks to all participants for making the **Respiratory Workshop** a resounding success!

The event witnessed an impressive turnout and enthusiastic engagement from attendees dedicated to enhancing workplace safety and health. The workshop featured expert-led sessions from Safetyware and Sundstrom, providing valuable insights into respiratory protection standards and best practices.

We are incredibly grateful to our speakers and trainers for their expertise and passion, which played a key role in the event's success.

Together, let's continue to prioritize safety and well-being. Stay tuned for more impactful workshops and events in the future!

Safetyware Partners with Penang FC to Elevate Sports Safety Standards

May 2024

On May 20, 2024, at the Penang FC office in Komtar, **Safetyware Group Berhad** proudly sponsored a **ZOLL AED Plus** to Penang FC, marking a significant milestone in promoting sports safety and health. The event was attended by representatives from both organizations and graced by YB Daniel Gooi, Youth, Sports, and Health Exco, and Chairman of the Penang FC Board of Directors.

This partnership underscores Penang FC's commitment to prioritizing the safety of its players, staff, and fans. The ZOLL AED Plus, a life-saving device for cardiac emergencies, enhances the club's preparedness to handle sudden cardiac arrest incidents. Its user-friendly design, with real-time feedback and step-by-step instructions, ensures accessibility even to non-medical personnel.

Safetyware Group's sponsorship reflects its dedication to community health and safety, empowering Penang FC to lead by example in creating a safe environment for all. This initiative highlights a shared vision of proactive safety measures and innovative solutions to benefit the sports community.

Empowering Safety: AED Training for MBPP by Safetyware & Zoll Medical May 2024

On May 28, 2024, Safetyware Sdn Bhd and Zoll Medical collaborated to conduct the "Tatacara Penggunaan AED" training for the staff of Majlis Bandaraya Pulau Pinang (MBPP).

This impactful event provided hands-on guidance on the proper use of Automated External Defibrillators (AEDs), emphasizing the importance of life-saving measures during cardiac emergencies. The training featured advanced equipment and active participation from MBPP staff, showcasing their dedication to enhancing community safety.

A heartfelt thank you to all participants for their enthusiasm and commitment to learning. Together, we're taking meaningful steps toward making Penang a safer place for everyone.
