

COMPANY PROFILE

INTRODUCTION OF SAFETYWARE GROUP

Safetyware Group Berhad is a leading integrated safety and health solutions provider with over 20 years of experience in the field. As a public listed company on the LEAP Market of Bursa Malaysia, we are committed to ensuring the well-being of its customers through the provision of high-quality products and services, in line with our corporate mission: Enabling Peace of Mind with Integrated Safety & Health Solution. Our commitment to excellence is reflected in our certifications to quality management systems including ISO 9001, ISO 13485, and GMP.

We are involved in a wide range of businesses, including manufacturing, distribution and trading, services, and enterprise software development, which allows us to provide complete OSH solutions through 7 subsidiaries across Malaysia, Singapore, Australia and Thailand.

We manufacture the products under our own brands including Safetyware, RHINO SHOE, QuickSign and Cleanware, while we also provide contract manufacturing (OEM) to international customers. Our factories are equipped with state-of-the-art automated machinery, ensuring high quality and consistency in our manufacturing processes.

In our distribution & trading division, we represent several world-renowned safety product brands such as Sundstrom of Sweden, Ultitec of Taiwan, KStrong of USA, ZOLL AEDs, PHC, Slice, Klever from USA among others.

With our focus on creating safe and healthy workplace, we are actively seeking Distributors who share our passion for enhancing workplace safety and are committed to making a positive impact in the OSH industry.

SOFTWARE SOLUTION

- Keyway Digital Labs Sdn. Bhd., a Safetyware Group subsidiary, drives digital transformation through innovative software development, comprehensive IT solutions, and advanced technology consulting. Our expert team custom-designs software solutions, from ERP to specialized safety management systems, for diverse industries like manufacturing, trading, services, and consultancy, to streamline operations, enhance productivity, and ensure compliance.
- As a trusted Odoo partner, Keyway Digital Labs offers end-to-end Odoo consultation, implementation, and customization, leveraging Odoo's comprehensive suite for CRM, e-commerce, accounting, inventory, and project management, ensuring seamless integration and goal-aligned digital transformation.
- We provide a full spectrum of IT solutions, including hardware procurement, network infrastructure, and cybersecurity services, ensuring optimal performance for both upgrades and new system implementations. Our digital transformation consulting services help organizations develop and execute comprehensive strategies for growth, efficiency, and innovation. We also develop intelligent AI and ML systems to analyze data, automate decisions, and predict trends, enhancing operational efficiency and supporting data-driven insights.
- Committed to innovation, quality, and customer satisfaction, Keyway Digital Labs delivers solutions that modernize operations, enhance IT capabilities, and support successful digital transformation journeys.

DISTRIBUTION

Our catalog offers a vast array of safety products, ensuring businesses have access to a comprehensive selection to meet their specific safety needs.

We offer guidance on product selection, technical assistance, proper usage, and maintenance, enhancing the overall effectiveness of the safety equipment.

Exclusive representation of global safety product brands such as Sundstrom (Sweden), Ultitec (Taiwan), KStrong (USA), PHC, Slice, Klever(USA), etc. Our strong partnerships with renowned brands worldwide enable us to provide clients with the latest, most reliable safety solutions.

Our distribution is informed by a thorough understanding of safety regulations and industry standards. We help clients navigate complex compliance requirements, ensuring their workplaces adhere to safety guidelines.

We stay updated with advancements in safety technology and products, consistently seeking innovative solutions to address emerging safety challenges faced by industries.

Provide tailored safety solutions that align with our clients' requirements, ensuring optimal protection for their workforce.
