Safe Mind, Smart Leadership

## Speaker's Profile

### Ir. Azman Bin Md Yasin

**Professional Engineer (B.Eng, P.Eng)  
DOSH Malaysia machinery and safety specialist.**

He is a Professional Engineer with over 15 years of experience at the Department of Occupational Safety and Health (DOSH). Currently stationed at the Putrajaya headquarters, he holds a degree in Mechanical Engineering and is a certified ASEAN Chartered Professional Engineer and 2nd Grade Steam Engineer. His extensive career includes roles as an investigator, prosecutor, and auditor, alongside managing various international ISO and safety management systems.

### Prof. Dr. Mohamad Ghazali Bin Masuri

**PhD in Occupational Therapy  
Health, wellness, and ergonomics expert.**

He is a Senior Lecturer at UiTM's Faculty of Health Sciences with over 20 years of experience. A registered Occupational Therapist with a PhD from UiTM and a Master's from the University of Sydney, he is a prolific researcher specializing in health, wellness, and ergonomics. His extensive academic background and clinical expertise make him a leading voice in the field of medical and health sciences.

### Assoc Prof. Dr. Mohd Shukri Mohd Aris

**Associate Professor, PhD  
Occupational hygiene and OSH expert.**

He is an OSH expert with over 20 years of experience in occupational hygiene, psychosocial risk, and indoor air quality. He holds a PhD from King's College London and contributes to Malaysia's PRISMA 2024 guidelines under DOSH. He is known for turning complex OSH requirements into practical workplace solutions.

### Mr. Syed Muhammad Gadaffi Bin Syed Ali

**Accredited Mental Wellbeing Trainer  
Business and leadership development professional.**

He is an experienced Business Development and Marketing professional with over 25 years in sales, corporate networking, and customer relationship management. Known for his punctuality, ability to perform under pressure, and strong leadership skills, he has successfully managed teams, expanded market reach, and built lasting partnerships with major clients across various industries. He is also a motivational speaker and corporate trainer, having worked with universities, entrepreneurs, and industry leaders to inspire and develop talent.

### Mr. Tan Lijen

**DBA, SHO, IRCA Lead Auditor  
EHS and sustainability leader.**

He is an accomplished EHS and HR leader with over 15 years of experience, currently serving as the EHS Group Manager at Ibsiden Electronics Malaysia. He holds a Doctor of Business Administration and is a highly credentialed professional, including being a DOSH-competent Safety & Health Officer and an IRCA Certified Lead Auditor for ISO 14001 and 45001. Throughout his career at organizations like Mondelez and Panasonic, Dr. Tan has developed specialized expertise in ergonomics, corporate sustainability, and project management.

### Dr. Zen Goh

**Senior Lecturer, MONASH University**

She is a professor, researcher, and consultant in workplace wellbeing and sustainable performance. Her research focuses on how people, leaders, and organisations create the conditions for thriving at work and through work. Zen also focuses on how organisations can move beyond isolated wellbeing programs toward more intentional, evidence-informed investment strategies that support employee thriving in real-world contexts. To help leaders do this, she created the Wellbeing Portfolio framework, a practical model that helps leaders understand how wellbeing is managed in the workplace, and how these patterns shape performance, resilience, and risk in the workplace.

### Dr. Wong Kee Wei

**Founder, Chairman & CEO, Safetyware Group Berhad**

Entrepreneur and business leader with 20+ years of experience scaling OSH, technology, and advisory firms across the Asia-Pacific. He is the Founder and CEO of Safetyware Group Berhad, a Bursa Malaysia-listed safety leader, and Keyway Digital Labs, specializing in digital innovation and AI. Additionally, he serves as Chief Coach at Multifocal Advisory, guiding leadership teams in strategy and performance.

### Ms. Pamela Chew

**Engineering Graduate & Emotional Health Therapist  
Founder of Life Garden Emotional Healing.**

She is an Engineering graduate with a distinguished academic background, transitioned to become a highly sought-after Life Coach, Trainer and Consultant. She founded Life Garden Emotional Healing in 2011 and is the author of the book [The Power of Emotional Detox].

### Ms. Emilina Hazrin Binti Shamsuddin

**Registered SHO & EHS Specialist  
Experienced practitioner in workplace safety and compliance.**

She has over 20 years of experience in rubber manufacturing, specializing in Occupational Safety & Health, ISO systems, and audits. A DOSH-registered Safety & Health Officer (SHO), she is known for improving workplace safety through practical, hands-on training.

# SBL-KHAS SCHEME PROCEDURE FOR SAFETYWARE EHS CONSULTANCY SDN BHD

This training program is claimable under the SBL-KHAS Scheme. Safetyware will claim the course fee directly from the employer's account with HRD Corp. However, HRD Corp approval is required before the commencement of the program by submission via the eTRiS system under Skim Bantuan Latihan (SBL-KHAS). In accordance with the latest HRD Corp guidelines, employers are required to submit their grant application through the eTRiS system **at least fourteen (14) days before** the commencement of the training program. The company must make the FULL PAYMENT if no disbursement is received from HRD Corp (SBL-KHAS scheme) under any circumstances.

## Procedures:

### 1. Pre-Training: Submission of Application via eTris

Employers must submit the training grant application for Safetyware EHS Consultancy Sdn Bhd's Safety360 EHS Summit - Safe Mind, Smart Leadership via the eTRiS system prior to the start of the program.

Ensure that all relevant documentation, including the course agenda, trainer profiles, and expected learning outcomes, are included with the submission. Check that all fields in the eTRiS application are filled out accurately, as errors may cause delays in the approval process.

Course Title: Safety360 EHS Summit - Safe Mind, Smart Leadership  
Course Serial Number: 10001694526 (for 1 day) or 10001698270 (for 2 days)

### 2. Approval from HRD Corp

Wait for approval from HRD Corp before proceeding with the training. Once approved, HRD Corp will send an official notification confirming the application approval.

Ensure to review this notification carefully for any specific conditions or requirements. The approval must be obtained at least 7 working days before the program commences.

### 3. Full Payment Commitment

If the company does not receive disbursement from HRD Corp, the full payment must be made to Safetyware EHS Consultancy Sdn Bhd before or on the event date. A late payment fee may apply for payments not made within the specified period.

Account No: 3-1766632-30  
Name: Public Bank Berhad

2026  
Safe Mind, Smart Leadership

#### 4. Post Training: Claim Process

After the completion of the training, the company must submit attendance sheets, feedback forms, and any other necessary documents to HRD Corp for claim purposes. Companies are advised to keep copies of all documents submitted to HRD Corp for future reference. Ensure that claims are submitted within 30 days of the completion of the training.

#### 5. Replacement/ No Show

No replacement or refund is allowed for the program as per Safetyware EHS Consultancy Sdn Bhd's guidelines. No-show fees may be charged if the registered participant does not attend. In cases where a participant cannot attend due to an emergency, a written explanation must be provided within 48 hours after the event for HRD Corp's consideration.

#### 6. Training Confirmation

A confirmation email, along with program details such as the agenda, venue, and any pre-course materials, will be sent to participants upon successful registration. Participants are encouraged to review the program information thoroughly and prepare any questions for the trainers ahead of time.

#### 7. Training Evaluation & Continuous Improvement

Post-training evaluations will be conducted to assess participants' satisfaction and knowledge retention. The evaluation results will be analyzed to continuously improve the training experience for future programs. Employers are encouraged to share feedback with Safetyware EHS Consultancy Sdn Bhd regarding the overall experience of the SBL-KHAS scheme and any areas for improvement.

#### 8. Key Detail for Employers

eTRIS Code: Please ensure that all relevant details, such as the Safety360 EHS Summit - Safe Mind, Smart Leadership, are correctly entered when submitting your training grant application.

Course Title: Safety360 EHS Summit - Safe Mind, Smart Leadership
